Olga Consorti, president and CEO of the St. Joseph's Lifecare Foundation, left, and title donor Elsie Hankinson celebrated the groundbreaking of Hankinson House during an event on Wednesday afternoon in Brantford. Stedman Community Hospice's new two-story, 25,620-square-foot residential hospice is named after Lorne and Elsie Hankinson, who donated \$1 million toward the project. The hospice, which will have 10 beds and space for additional programs, is expected to be complete next fall. Foundation officials on Wednesday also announced a new fundraising goal of \$6.7 million as part of their Redefining Hope campaign. Visit [www.sjlc.ca](http://www.sjlc.ca) for more information.
